Centrally located in the beautiful Bay Area, minutes from Downtown Vallejo, Blue Rock's experience in hosting hundreds of golf tournaments and outings for groups ranging from Fortune 500 companies and trade associations to non-profits makes us uniquely qualified to make your next golf event an unqualified success. Blue Rock Springs Golf Club encompasses two championship 18-hole layouts to create a unique experience every time you play. Distinctive in character but consistent in quality, every hole was meticulously designed with you in mind, from great scenic views to peaceful and quiet tranquil settings throughout.

Blue Rock Springs serves the needs of golfers in Vallejo and the surrounding Solano County region by providing easy highway access and also draws customers from the greater Bay Area because of its competitive rates, friendly service, and excellent conditions. While challenging for low handicappers, the course offers multiple tees on each hole, ensuring an enjoyable experience for golfers of all abilities.

At Blue Rock Springs Club, golf events are our specialty. Whether you are planning a small golf outing or a full field shotgun, allow our experienced hospitality experts to assist with every detail.
