An Enhanced Tournament Experience

The Reserve at Spanos Park Golf Course, located in Stockton, CA, is a renowned links-style golf course designed by Andy Raugust. With Mt. Diablo as a backdrop, it showcases the splendor of incredible sunrises and sunsets, leaving an indelible mark on visitors. Offering a unique golf experience, The Reserve is secluded from the many distractions of everyday life, offering a refuge for golfers and some lucky wildlife – mainly blue herons and egrets who call the course home. Tournament Options

Starting Options

Shotgun Start: A Shotgun start is a golf tournament format in which all groups of players tee off simultaneously from different holes. Two groups will start at each hole. With this option all groups will start and finish at approximately the same time.

Straight Tee Tournament: This option is good for competitive events. Tournament will have the option of initial start time and tee time interval time.

Tournament Formats

Scramble Format: In this format every person in the group will hit from the appropriate tee marker. The group will determine the best of the four shots, and everyone else will pick up their ball and place it a club length away from the "best ball." The group will continue this process until the ball is completely in the cup. The winning team is the team with the lowest 18 hole score. This format promotes faster pace of play and makes the event playable and easier for a wider variety of golf skill sets. This is the most popular No-Profit golf tournament format.

Best Ball: This format may be played as 2,3,4 person teams. Golfers will play their own ball through the entirety of the hole and at the conclusion of the hole they write down the lowest score as a team score. This format is played with or without handicap. This is usually a fun format with a medium pace of play for more avid golfers and the results can be calculated quickly.

Shamble: In this format every person in the group will tee off from the appropriate tee marker. The group will determine the best of the four shots and everyone else will pick up their ball and place it a clubs length away from the best ball. From this point each player will play individual shots until all team members have holed out. The team will record the lowest score as their team score and the team with the lowest 18 hole score will be the tournament winner.
