The Territory Golf Facilities include an 18-hole championship course, an 11-acre practice facility that contains three regulation length par-three holes, each with multiple tee boxes and maintained to the same standard as the championship course; a 15,000 square foot putting green, a driving range with multi-directional tee boxes, a short game area that includes a variety of turf conditions, a two-tiered green and sand bunker; and a wedge area with target flags at 40, 60 and 80 yards.

Carved into 640 acres of rugged Southwest Oklahoma countryside, the nationally recognized championship golf course provides an abundance of mature oaks, sumac, wild plum and pecan trees. The course routing capitalizes on the 100-foot elevation change of the naturally rolling terrain, numerous lakes, ponds and Stagestand Creek, which meanders throughout the property.

Fairway, tee and rough locations are TifSport Bermuda Grass, providing for closer mowing heights and superior turf density. The greens, which range in size from 6,000 to 10,000 square feet, are an A-1 and A-4 bent grass blend, establishing consistently fast and true putting surfaces.

Starting Options & Formats

Scramble Format: In this format every person in the group will hit from the appropriate tee marker. The group will determine the best of the four shots and everyone else will pick up their ball and place it a club length away from the "best ball."

The group will continue this process until the ball is completely in the cup. The winning team is the team with the lowest 18 hole score. This format promotes faster pace of play and makes the event playable and easier for a wider variety of golf skill sets. This is the most popular No-Profit golf tournament format.

Shotgun Start: A Shotgun start is a golf tournament format in which all groups of players tee off simultaneously from different holes. Two groups will start at each hole. With this option all groups will start and finish at approximately the same time.

Straight Tee Tournament: This option good for competitive events. Tournament will have the option of initial start time and tee time interval time.

Best Ball: This format may be played as 2,3,4 person teams. Golfers will play their own ball through the entirety of the hole and at the conclusion of the hole they write down the lowest score as a team score. This format is played with or without handicap. This is usually a fun format with a medium pace of play for more avid golfers and the results can be calculated quickly.
